MEMORANDUM FOR: Chief, Career Management Staff/DO  
FROM: Harry E. Fitzwater  
Deputy Director for Administration  
SUBJECT: Sidewalk Superintendents  
REFERENCE: Two-Way Memo to DDA fm DO/C/CMS, Same Subj

Gordon,

1. I was as concerned about portholes in the fence as you, but find there are problems. [redacted] says the wood fence was installed at additional cost to protect the cover of Agency employees as they move between the parking lots and Headquarters. I guess if we can see in, they can see out.

2. I really am sorry because I know it's fun watching construction, and we all know the project needs all the help it can get.

[redacted]  
Harry E. Fitzwater

*P.S. Since writing this memo I find there are chain link gates that do little for protection of cover.*
